## **Fox Valley Energy Project** *Landowner Virtual Presentation & Project Kickoff*

**Tuesday, Nov 10, 2020 Zoom**  
Presentation, 7:00 p.m.

# Fox Valley Landowner Presentation

Please join us for our online virtual presentation as we launch our proposed Fox Valley Solar and Wind Hybrid Project in Kendall County, Illinois. We are committed to working with the community to gather and respond to stakeholder input. There will be a short presentation about Liberty Power, the Fox Valley Solar and Wind Hybrid Project, and allow you the opportunity to provide feedback and/or ask questions. Members of our team will be in the area following the presentation and look forward to meeting with interested stakeholders.

## **Kindly RSVP your attendance by November 5, 2020**

Email [foxvalleyenergyfacility@algonquinpower.com](mailto:foxvalleyenergyfacility@algonquinpower.com) to confirm attendance and receive a direct link to join the meeting. Meeting details can also be found at [www.foxvalleyenergyproject.com](http://www.foxvalleyenergyproject.com) or by phoning **1-860-930-2289**

## **Alternatively,**

## **ABOUT LIBERTY POWER**

Liberty Power is committed to generating clean, renewable energy. A subsidiary of Algonquin Power & Utilities Corp. (TSX: AQN), Liberty Power (formerly known as Algonquin Power Co), is a non-regulated generation business that owns or has interests in a portfolio of North American based contracted wind, solar, hydroelectric, and thermal generating facilities representing approximately 1.7 GW of installed capacity. Liberty Power is the long term owner of two operational wind projects in Illinois, Shady Oaks Wind (120 MW – Lee County) and Minonk Wind (200 MW – Woodford County).
